

WENDY CRINER

Teacher

My name is Wendy Criner, and I am running for Brea Olinda School Board, Area 4. My entire career has been centered on supporting our youth—in the classroom as a public school teacher, on the pool deck and the field as a coach, and at the decision-making table on the School Site Council. With your support, I'm ready to bring that experience to the school board.

My husband and I moved to Brea over 15 years ago for its exceptional schools. Our two daughters attended Falcon Academy, Brea Junior High, and Brea Olinda High School. I believe in practical, thoughtful solutions that support student growth and foster critical thinking, problem-solving, collaboration, and global readiness.

As a district, we must address complex challenges responsibly. As we move forward with Measure H projects, it is vital that funds are invested with fiscal prudence to ensure safe, healthy, and supportive learning environments for all students.

Our schools are the heart of Brea. Our community deserves a leader who understands both the classroom and local values. I am committed to protecting our investments, empowering teachers, and putting children first. I respectfully ask for your vote.
