

MARCO CARRALERO

Parent/Orange County Businessowner

I'm not a politician, and I've never run for elected office. I'm the parent of daughters who will enter Capistrano Unified School District schools when they reach school age. I own a family business, where I lead, manage budgets, and deliver results. My professional experience includes advising government agencies on financial management. As a Laguna Niguel parent, I have a personal stake in improving Capistrano Unified School District schools.

The Capistrano Unified School District is in crisis:

- Student enrollment fell every year for the past eight years
- Lowest student enrollment in nearly a quarter-century
- Serious structural budget deficit

I'll fight to reverse this trend and bring families back to Capistrano Unified School District schools.

As Laguna Niguel's representative on the Capistrano Unified School District Board, I'll:

- Fight for a high-quality education for every student
- Keep political agendas out of the classroom
- Respect parents' rights
- Promote parental involvement
- Provide safe, secure, and healthy schools for our students
- Demand fiscal accountability and ensure money goes directly to classrooms, not wasteful bureaucracy
- Increase transparency to ensure a strong educational partnership between parents, teachers, and the Capistrano Unified School District Board

I'm honored to be endorsed by:

- Capistrano Unified School District Trustees Lisa Davis, Lisa Zollinger, and Jennifer Adnams
- Orange County Board of Education Trustees Lisa Sparks and Tim Shaw
- Laguna Niguel Mayor Linda Lindholm (ret.)
