LAN QUOC NGUYEN

Governing Board Member, Garden Grove Unified School District, Trustee Area 2

GGUSD is one of the top-performing school districts for academic excellence. I'm proud to be a member of the board that focuses on student successes like laser beam.

GGUSD was the first and only school district in Orange County recognized as the Exemplary District for its model programs. All seven high schools have been ranked America's Best High Schools by the U.S. News and World Report. We even received the Best Communities for Music Education Award for many years in a row.

Our college readiness rate has overcome and greatly exceeded the County and State from 25% in 2002 to 65% today. Our graduates are more ready to excel in college and future careers than ever.

We've greatly expanded our technology infrastructure and achieved a 1-to-1 computer-per-student ratio at all school sites, and invested over one billion dollars to modernize all 68 schools to meet students' needs in the digital age. This investment has also greatly increased property values in and around GGUSD neighborhoods.

This trend must continue for our students and community. I humbly ask for your vote. For more information, visit www.lannguyen.org
