ALEJANDRA RODRIGUEZ
Mother

I'm Alejandra Rodriguez, running for the Santa Ana Unified School District Board of Education, Trustee Area 5, because every child deserves the opportunity to succeed, every parent deserves to be heard, and every school deserves strong, transparent leadership.

I am a Santa Ana native who attended Washington Elementary, McFadden Institute of Technology, MacArthur Fundamental Intermediate, and Saddleback High School. I have children attending SAUSD schools, giving me experience as both a former student and a parent.

I have been involved in my children's education through the School Site Council, PBIS, the Community School Council, the PTO, and school committees. These roles have allowed me to listen to families, work with educators, and understand our schools' needs.

I have served as a City of Santa Ana Commissioner for Historic Resources and Parks and Recreation and as a Neighborhood Association leader.

As your trustee, I will focus on improving reading, writing, and math, supporting teachers, keeping schools safe, and preparing students for college, careers, and life. I will advocate for students with disabilities and their families.

Santa Ana is my home, and our children deserve leadership that puts students first and works with families.

I respectfully ask for your vote.
