

MEGHNA PARIKH

Appointed Cypress School District Board Member,
Trustee Area C

As a mother raising three children in Cypress, I know our schools are the heart of our community. I am committed to keeping our schools strong and ensuring every student has an opportunity to succeed.

While serving on the Cypress School Board, I provided steady leadership during a time of change. Earlier this year, I took action to help protect jobs, preserve important programs and services, and support a plan to strengthen the district's finances while keeping district decisions in local hands.

As a public service attorney, I work every day to solve complex problems and protect public interest. This experience enables me to ask tough questions, understand details, build consensus, and make important decisions that put students first.

Looking ahead, I will advocate to expand after-school programs, support academic excellence, increase learning opportunities in STEM, arts, and music, strengthen the schools' relationships with parents, and manage taxpayer dollars responsibly.

I care deeply about the future of our schools and the success of every Cypress student. I respectfully ask for your vote so we can continue working to provide the high-quality education Cypress families expect and every child deserves.
