BERTHA MANZANARES
Social Services Manager

La Habra has been my home for more than 22 years, where my husband and I proudly raised our two children. They are both graduates of the La Habra City School District and have become productive citizens in their communities.

I recently retired after 35 years of public service, including 25 years with the California Department of Social Services, where I served in leadership roles dedicated to protecting the health, safety, and well-being of children in both Los Angeles & Orange County. Throughout my career, I have partnered with families, educators, and community organizations to help children learn, grow, and thrive.

As your School Board Trustee, I will focus on three priorities:

Strengthening academic excellence by ensuring every student builds a strong foundation in reading, writing, mathematics, and science

Supporting parents by protecting their rights to be involved in their children's education and expanding educational opportunities.

Promoting transparency, accountability, and fiscal responsibility.

I will bring integrity, experience, and a commitment to putting students first, supporting our teachers, and preparing every child for lifelong success.

Guided by Faith. Dedicated to Families. Committed to Students.
