

JENNIFER L RANK**AGE: 47**

Appointed Governing Board Member, Ocean View School District

This campaign isn't about politics. It's about Service, Stewardship, and Results—doing what is needed to ensure every student is safe, every family is heard, and every school has the support it needs to succeed.

Hello, my name is Jennifer Rank. I am the wife of Adam Rank, an on-air analyst for the NFL Network, and we are the proud parents of two Ocean View School District students. My family has deep roots in education. My mother is a retired teacher at Bethany Christian Academy and principal who served our community for more than 30 years. Growing up in a household shaped by an educator's dedication, I began my own path.

I care deeply about our schools and am honored to have been appointed by unanimous decision to serve as an Ocean View School District Board Member. With Your Support—Your Vote, I look forward to continuing to serve.

Our school district is recognized throughout California for its educational excellence. Beyond party labels, families want the highest quality educational experience for their children: strong fundamental skills in reading, math, and science, access to arts, music, and physical education, and leaders who use taxpayer dollars responsibly.

Through my roles as PTA President at Harbour View Elementary and President of the Ocean View School District PTA/PTO Roundtable, I have collaborated with PTA/PTO leaders across all 13 elementary and middle schools. This experience has provided me with firsthand insight into both the hurdles our schools encounter and the positive impact that collaborative community efforts can achieve. My mission is straightforward: provide a safe learning space for our children by addressing their needs, supporting their experience, and investing in their success.

Having received the unanimous endorsement of the Ocean View Teachers Association, I am truly humbled and deeply proud to have the backing of our community leaders, families, teachers, and support staff.

My intent now is to earn your trust and your vote.

Whether questions arise or you're texting to let me know I can count on your vote, I look forward to hearing from you.
