

ASHLEIGH AITKEN

Mayor, City of Anaheim

Dear Neighbor,

Anaheim is where I grew up, where my husband and I are raising our family, and where I've found strength and community.

It has been my greatest honor to serve as your Mayor. Four years ago, I promised to listen to residents, restore integrity to City Hall, and focus on what matters most to Anaheim families.

As your Mayor, I have worked to:

Enact transparency reforms, restrict lobbying, reset stadium negotiations, and appoint a city ethics officer.

Improve public safety, including a 14% drop in crime, reduce emergency response times and build two new fire stations.

Reduce homelessness by 11%, expand outreach and street medicine, and connect people to shelter, services, and housing.

Build affordable housing and support more than 6,300 households with rent assistance.

Revitalize Beach Boulevard, improve parks and libraries, repair infrastructure, and bring major investments that create jobs.

I'm an attorney, mom, and longtime community leader with deep roots in Anaheim. I'm running for re-election to build on our successes and focus on kitchen table issues like affordability, public safety, housing, and road repair.

I will be honest, responsive, and focused on residents first.

I'd be honored to earn your vote and continue serving Anaheim.
