

ALFREDO RODRIGUEZ

General Manager

Government exists to serve the people. That's the principle that inspired me to run for Mayor of Anaheim.

I came from humble beginnings, where I learned that hard work, integrity, and personal responsibility create opportunity. Those values have guided me throughout my life and career.

Today, as the General Manager of an environmental services company, I lead teams across California, create jobs, solve complex challenges, and work with homeowners, businesses, and government agencies to deliver results. Every day, I bring people together, make difficult decisions, and solve problems.

As your Mayor, I will put Anaheim residents first by strengthening public safety, addressing homelessness with compassion and accountability, supporting local businesses, investing responsibly in our infrastructure, and ensuring City Hall is transparent, fiscally responsible, and accountable to the people it serves.

I'll be a Mayor who listens, shows up, and isn't afraid to do the hard work. My commitment is simple: to earn your trust through action, not promises, and to make sure every resident has a voice in the future of our city.

It would be an honor to earn your trust and respectfully ask for your vote.
