

NATALIE RUBALCAVA

Anaheim City Councilmember

It's been my honor to serve on the Anaheim City Council since 2022. In this role, I've made it a priority to listen to residents and protect the things that make our city such a special and unique place to live.

On the City Council, I've fought to:

- Protect neighborhoods by ensuring first responders have the resources they need.

- Tackle the root causes of homelessness by addressing housing and mental health.

- Implement a first-time homebuyers program for Anaheim residents.

- Create good-paying jobs by helping local businesses and attracting new investments.

- Secure our fair share of city funding to maintain our streets, sidewalks, and parks.

- Ensure fiscal responsibility, transparency, and responsiveness at City Hall.

I'm a small business owner, mom, longtime community leader, and fourth-generation Anaheim resident. I'm a proud graduate of Lincoln Elementary, Sycamore Junior High, and Anaheim High School. I earned my bachelor's degree from California State University, Fullerton and law degree from University of La Verne College of Law.

I'm proud to have the support of Anaheim firefighters, police officers, city employees, and small business owners.

If you have any questions or ideas, feel free to contact me directly at (714) 349-5602.

I hope to earn your vote and continue working for you on the Anaheim City Council.

With gratitude,

Natalie Rubalcava
