

YONG "CHUY" CHOI
Construction Businessowner

For many years, Buena Park has been my home. I have proudly served our community as a small business owner, Taekwondo Grandmaster, pastor, former Planning Commissioner, nonprofit leader, and volunteer. My life has been guided by faith, hard work, integrity, and a commitment to serving others.

I am running for City Council because every family deserves safe neighborhoods, clean parks and streets, responsible financial leadership, and a city government that listens, responds, and delivers results. As an immigrant who achieved the American Dream through perseverance and determination, I understand the challenges facing working families, seniors, and small businesses.

My priorities are strengthening public safety, supporting our police officers and first responders, helping local businesses grow, maintaining clean neighborhoods, addressing homelessness responsibly, protecting taxpayers, improving city services, and ensuring every public dollar is spent wisely.

I believe effective leadership means bringing people together, listening respectfully, and making decisions based on what is best for Buena Park. I will work to earn your trust through honesty, accountability, and practical leadership while always putting Buena Park residents first. I respectfully ask for your vote.

Yong "Chuy" Choi
Candidate for Buena Park City Council – District 2
