

DAN HAY

Orange County Commissioner/Businessowner

For over 30 years, Fountain Valley has been my home. My wife, Carrie, and I raised our four children here. I got my start coaching kids in Fountain Valley Pony Baseball, and spent decades coaching young athletes and building local businesses. My business gives young athletes a platform to earn college scholarships while bringing jobs and economic growth to Fountain Valley.

I'm running for City Council because I want to keep Fountain Valley the safe, family-friendly city we all love.

I will support our police and firefighters, ensuring they have the resources to keep our neighborhoods and schools safe, while investing in neighborhood watch and youth outreach programs.

I will champion our small businesses by cutting red tape and streamlining city permits, and work to revitalize our commercial corridors so Fountain Valley remains a place where families and businesses can thrive.

I will fight to preserve the quality of life that makes Fountain Valley special, including stronger oversight of sober living homes to protect our neighborhoods and ensure responsible development that fits our community.

As a business owner, coach, and lifelong community volunteer, I've spent my life building things that last. I'll bring that same commitment to City Hall.

I respectfully ask for your vote.
