I believe I can make a difference. I do not vote based on glossy postcards bombarding my mailbox. Too expensive. spending other people's money to get elected. How do we expect them to approach spending from the dais?

I'm re-using my old campaign signs from last time, only for people who want to display them in their own yards. Contact me if you want one of my old signs.

No council member has more power than 1 vote out of 5. I can't promise anything except to do my best for us all.

My background: I'm a wife, mother, and grassroots patriot. I retired after 21 years as Communication Technician for ATT. I surveilled network traffic for California and Nevada. Other jobs: CHP Public Safety Dispatcher, commercial driver (school bus, paratransit bus, OCTA route transit bus, taxicab); hotel reservationist, artist, writer, and public speaker. I was a keynote speaker at Toastmasters 2026 District 100 Spring Conference in Pasadena.
