

KIM CONSTANTINE**AGE: 60**

Businesswoman/Council Member

I need your vote, please, for important consistency – incumbent not running. For years, I have been consistently working hard for you for transparency and on City issues. Every decision is always in the absolute best interest of our residents, businesses and visitors -- no developer ties. I make no campaign promises, am one of 5. When elected, I spent less than \$999 and no campaign signs. I'm not about big money.

I will continue to say "no" to housing development projects and more that do not make sense. I attend/participate in Strategic Planning, Planning Commission, and Orange County Mosquito and Vector Control District Board Meetings (our City Trustee).

I happily volunteer hours daily on social media, in person, phone/email; at community events, and am a proud longtime resident and member of several community organizations.

Please have faith in me – call 714-335-2280 anytime – always accessible to speak with and ask questions.

Your vote ensures my unwavering commitment to you. You will continue to have my time and energy working hard, fully committed to ensuring Fountain Valley remains a nice, very desirable place to live and visit and prosperous for our businesses.

It is my pleasure to serve and represent you.
