

JIM CUNNEEN

Fountain Valley Mayor/Businessman

I've proudly made Fountain Valley my home for 33 years. My wife and our 5 children were all born and raised here. I'm dedicated to making Fountain Valley an even better place to live, so my children can eventually raise their own children here.

I've worked in private business for 40 years. With my experience in both the public and private sectors, I know how to run government more like a business.

As your Fountain Valley Mayor and Councilmember, I've delivered results since you first elected me four years ago:

Hired new Fire and Police Chiefs

New Public Safety Community Risk Assessment and Standards of Cover

First-ever Fountain Valley Parks Master Plan

New 16-acre expansion at Fountain Valley Sports Park

Balanced budgets, including paying down pension debt

I lead "Mile with the Mayor" walks to ensure City staff and I are accessible to residents while also encouraging everyone to be active and enjoy Fountain Valley's outdoors.

If you re-elect me, I'll continue fighting for you:

Ensure our firefighters and police have what they need to keep Fountain Valley safe

Enhance Fountain Valley parks and streets

Maintain complete accountability of our taxpayer dollars

Attract and retain good-paying jobs with healthy businesses

I respectfully ask for your vote.
