

OSCAR VALADEZ

Fullerton Commissioner/Businessowner

The son of immigrants, I was born and raised in Fullerton. My parents taught me the value of education: I graduated from Fullerton schools, and I earned my Civil Engineering degree at Stanford University.

My wife is a public school counselor, and we decided to raise our two children here in my hometown of Fullerton, where I've grown our family's construction business.

I love Fullerton. My service to our city includes:

- Chair, Fullerton Planning Commission
- Fullerton Parks and Recreation Commissioner
- Fullerton Transportation and Circulation Commissioner
- Team Leader, Love Fullerton
- Fullerton Sunrise Rotary

That volunteer work includes:

- Monthly Truslow Park cleanup
- Native garden at Ford Park
- Adopting Union Pacific Park
- Mobile food pantry at Fullerton churches and parks
- Upcoming mobile dental clinic

If you elect me to represent our community on Fullerton's City Council, I will:

- Ensure Fullerton police and firefighters have the resources they need to protect our safety
- Improve Fullerton roads
- Enhance Fullerton parks and public spaces
- Balance and audit Fullerton's budget with more transparency
- Build senior citizen and workforce housing in Fullerton
- Protect the character of our neighborhoods and our quality of life

I will always be accessible to you: call me anytime at (714) 519-6129, email valadez4fullerton@gmail.com, or visit www.valadezforfullerton.com.

I respectfully ask for your vote.
