

STEPHANIE KLOPFENSTEIN

Garden Grove Mayor/Mom

I'm one of five generations born and raised in Garden Grove. My husband and I are raising our daughter here: she's a Garden Grove Unified School District student, just like I was. I actively volunteer in our community: Garden Grove Community Foundation, Boys & Girls Club, Children's Hospital of Orange County, Garden Grove Neighborhood Association, and Downtown Business Association.

Since becoming Mayor in 2024, I've moved Garden Grove forward:

- Rapid 911 response times
- Fire Station 84 upgrades, new state of the art Police Station
- Neighborhood park security program
- Little Saigon Business Community District promoting cultural tourism and local businesses
- First time homebuyer down payment assistance up to \$110,000
- Promote pet adoption at animal shelter
- New playground equipment (Jardin de los Ninos Park, Haster Basin Park), restrooms (Westhaven Park)
- Woodbury Park expansion: pool, skatepark, walking trail
- Historic Main Street beautification
- Major investments in repairing streets, sidewalks, and curbs
- Graffiti prevention/removal
- Install/upgrade neighborhood safety lighting
- Community Passport program with Supervisor Janet Nguyen and Clerk-Recorder Hugh Nguyen
- Reduced deficit by \$61 million, improving Garden Grove's fiscal ranking among Orange County cities by 6 places
- Streamline code enforcement

If you re-elect me as Mayor, I'll continue fighting for all Garden Grove residents: ensure our police and firefighters have what they need to keep our neighborhoods safe, address homelessness with both services and enforcement, and ensure fiscal responsibility.

Please join the Orange County Professional Firefighters, Garden Grove Police Association, and Garden Grove Police Management Association in supporting my re-election. stephanie4qa.com
