

AMANDA NGUYEN**AGE: 36**

Senior Paralegal

Amanda Nguyen is a career public servant. For nearly a decade, she has worked inside Orange County's criminal legal system and is currently a Senior Paralegal with the Orange County Alternate Public Defender. She holds a Master's degree in Criminal Justice and has spent her career seeing how government decisions affect real people's lives.

Amanda is running for City Council because Garden Grove families deserve a government that works for them.

She will fully staff our police and fire departments and keep our neighborhoods, parks, and schools safe. She will address homelessness with real accountability, connecting people in crisis to mental health, addiction, and employment services while keeping our public spaces safe for families and small business owners. And she will fight for an affordable Garden Grove, investing in Little Saigon and Main Street so our local economy works for working families.

She is a lifelong resident of Little Saigon and the proud daughter of Vietnamese refugees who believes every family deserves a safe, affordable community.

Amanda is proud to be endorsed by Congressman Derek Tran.

Garden Grove deserves leadership that is accountable, experienced, and focused on results. Amanda Nguyen will deliver that.
