

**THOMAS QUOC THAI NGUYEN**

Media Businessman

I humbly ask for your vote to become the next City Council Member for District 3.

As a media businessman with decades of experience, I have the expertise to make sound decisions. For 40 years, I have worked alongside business owners, laborers, and professionals throughout Orange County. I understand the challenges our community faces. A strong City Council focused on public safety, infrastructure, expedited home improvement permitting, and affordable housing will better serve our valued residents.

Throughout my life, I have committed to giving back. As your Council Member, I will ensure public participation in city government. I will prioritize business growth, job creation, practical solutions to homelessness, cultural events that showcase diversity and strengthen our vibrant community, and health and wellness programs that improve the quality of life in District 3.

I am fully committed to accountability and transparency. I will work tirelessly to make District 3 more prosperous while restoring trust in government.

As your City Council Member, I will listen to every voice, serve every constituent, and work every day to improve District 3. I respectfully ask for the opportunity to serve and achieve these goals together. Thank you in advance for your support and your vote.
