LARRY AGRAN
Mayor of Irvine

It has been my privilege to serve as your Mayor, united by a shared vision to make Irvine the Safest, Smartest, Greenest, Healthiest, and Kindest City in America.

Together, we've made remarkable progress toward that goal. Now, I ask for your vote to continue our work. Specifically, we must:

- Invest in public safety to maintain our ranking as America's Safest Big City.
- Expand our newly established Irvine Public Library System with new programs, enhanced services, and 100,000 additional books.
- Build-out the Great Park; maintain our top-ranked Irvine park system; and add the 700-acre Gateway Preserve to our 10,000-acre Irvine Open Space Preserve.
- Implement our Urban Forest Master Plan, planting another 100,000 trees.
- Equip our City Hall with cost-saving solar panels and battery backup systems.
- Improve mobility and reduce traffic and pollution by expanding our free, non-polluting Irvine Connect shuttle bus service throughout Irvine.
- Expand our public health and social support initiatives, creating a City of Irvine Department of Health and Wellness.

Let's do all this . . . and more, while continuing to adopt balanced budgets with $100 million in reserves to guarantee the delivery of Irvine's top-notch city services.

I ask for your vote so we can continue to move forward . . . together.

Thank you!
