SUKHEE KANG
Small Businessman/Educator

Irvine has been my home for more than three decades. My wife, Joanne and I raised our family here, and I have dedicated my career to serving our community with integrity, experience, and results.

I served two terms as Irvine Mayor and Irvine City Councilmember, leading our city through the Great Recession while maintaining balanced budgets without furloughs or core service cuts and while strengthening financial reserves. During my tenure, I secured more than $121 million in transportation funding, expanded community services, invested in education, and helped preserve Irvine's reputation as one of America's safest and best-managed cities.

Most recently, I served as a Presidential Appointee and Regional Administrator for the U.S. General Services Administration (GSA), overseeing billions of dollars in federal assets and capital projects across eight states. This experience reinforced my commitment to fiscal responsibility, accountability, transparency, and protecting taxpayer dollars.

I am running for Irvine City Council District 1 to ensure responsible spending, strengthen public safety, support educational excellence, improve public transportation, promote local businesses, safeguard open spaces and promote thoughtful growth. Irvine deserves experienced leadership that puts Irvine residents first and delivers results.

I respectfully ask for your vote by November 3.
