

TIFFANY BOCCIERI

Attorney/Mother

I'm Tiffany Bocchieri, and I'm running for Laguna Hills City Council Member, District 4.

I believe transparent, effective leadership is essential to preserving the qualities that make Laguna Hills a safe, welcoming, and vibrant community for current residents and future generations.

As a California-licensed attorney and mother, I understand that sound decisions require careful analysis, active listening, and accountability. Whether reviewing a city budget, evaluating a development proposal, or analyzing a traffic study, I will approach every issue with precision, integrity, and empathy.

I grew up in South Orange County and chose to raise my family here because I value the safe neighborhoods, parks, and close-knit communities that make this area unique. I believe every resident deserves a strong voice in the decisions that shape the future of Laguna Hills, and I will work to ensure every perspective is heard.

My volunteer leadership and legal experience have prepared me to formulate effective solutions and deliver measurable outcomes. I will bring those values of service, integrity, and accountability to the City Council.

I ask for your vote this November and the opportunity to be a strong voice for District 4 while serving the entire Laguna Hills community.
