MICHAEL CAPUTO **AGE: 56**

Traffic Commissioner/Businessman

"Keep it Simple" is my guiding principle for effective governance. I have no political agenda other than to serve the residents of Laguna Hills. As a three-term Chairman of the Laguna Hills Traffic Commission, my dedication to our community is clear. My family has called Laguna Hills home since 1980; I bought my first house here in 2007. My wife and daughter both attended Valencia Elementary and Laguna Hills High School, reinforcing my deep ties with our community.

In addition to my involvement with several HOA boards, I currently serve as President of my community's HOA. Professionally, I manage a seven-person sales team in the building materials industry for a $2 billion company, giving me the experience to handle complex projects.

My main goal as a City Council member is to ensure a safe environment while enhancing the city's beauty, thereby raising property values and improving quality of life. If elected, I promise to listen to the residents of Laguna Hills and serve with honesty and integrity. Together, we can make our city an even better place to live.
