BENJAMIN YU
Councilmember, City of Lake Forest/Businessman

Serving as your City Councilmember has been one of the greatest honors of my life. Over the past term, I have worked hard to be accessible, accountable, and committed to the residents of Lake Forest. Every decision I make is guided by a simple principle: put our community first.

Together, we have continued to strengthen public safety, maintain responsible fiscal stewardship, and preserve the high quality of life that makes Lake Forest such a wonderful place to live, work and play. I have remained focused on listening to residents, addressing neighborhood concerns, supporting local businesses, and ensuring that City Hall remains transparent and responsive.

While we have made meaningful progress, there is still important work ahead. Our city continues to face challenges and opportunities that require experienced, thoughtful leadership. I am committed to building on the progress we have made—not changing course, but continuing the steady, responsible leadership that has served our community well.

As a U.S. Army veteran, entrepreneur, and your Councilmember, I believe in service, accountability, and delivering results. I respectfully ask for your vote so we can continue working together to keep Lake Forest safe, fiscally strong, and an exceptional community for current and future generations.
