ANIL D. PATEL **AGE: 53**

Project Manager/Businessowner

For the past 18 years, Lake Forest has been my family's home, and I'm running for City Council because I believe in giving back to the community that has given us so much. My wife, Alka, and I have raised our two children here, operated a small business in our city, and have been actively involved in serving our neighbors.

I serve on the City's Traffic and Parking Commission, and as a Board Member of my homeowners association, where I work collaboratively with neighbors to address community concerns. I have also completed the City's Civic Academy, and volunteer as a CERT member, a Volunteer in Parks participant, and as an Assistant Scoutmaster for a local troop.

Professionally, I bring nearly 30 years of experience helping public agencies manage budgets, improve infrastructure, and deliver cost-effective solutions. I hold a degree in Building Engineering and an MBA from UCLA, combining technical expertise with sound financial management.

As your Councilmember, I will focus on keeping Lake Forest safe, protecting our neighborhoods, supporting local businesses, and ensuring taxpayer dollars are spent wisely. I will listen to residents, make thoughtful decisions, and always put our community first.

I respectfully ask for your support and consideration.
