TOM GRABLE **AGE: 64**

Planning Commissioner/Businessowner

For 27 years, Lake Forest has been the place my family proudly calls home. As a current Lake Forest Planning Commissioner, business leader and community volunteer, I want to help keep Lake Forest the kind of city we're proud to pass on to the next generation.

Throughout my 40-year career, I've brought people together to solve difficult problems, managed large budgets responsibly, and made thoughtful decisions that delivered successful results.

As your City Councilmember, I'll lead to keep our neighborhoods safe, repair and maintain our roads and parks, support our local businesses so they can thrive, and make sure our city spends wisely, lives within its means, and saves for the future.

I'll listen to residents, treat everyone with respect, and make decisions based on what's best for Lake Forest—not politics or special interests.

My goal is simple: protect what makes our city special while planning carefully for the future. I respectfully ask for your vote and the opportunity to serve our community with integrity, experience and common-sense leadership.
