NITESH P. PATEL **AGE: 47**

Council Member, City of La Palma

It has been a privilege and an honor to serve and represent you on the La Palma City Council for the past eight years.

I have been fortunate to call La Palma my home for nearly 25 years. My wife and I have raised our two daughters, who are products of La Palma schools. I've also believed in giving back to our community by volunteering with the La Palma Community Foundation, sponsoring scholarships for graduating seniors at Kennedy High, and providing meals to our elderly.

I am running for reelection for the City Council because I want to continue to help our City by:

Advocating for the La Palma Police Department to continue keeping our families safe,

Being a voice for our residents to deliver on the needs of our community,

Model responsible fiscal stewardship,

And maintaining La Palma's status as one of the best places to live by investing in our infrastructure and afterschool recreation programs.

I am proud to have always done what is best for La Palma. We've made tremendous progress, and I am optimistic about the future of La Palma. With your support, I look forward to continuing to give back and serve you and our City.

I respectfully ask for your vote.
