

MARY PANINGSORO

AGE: 67

Community Volunteer

I'm a proud La Palma resident of 32 years. My husband Michael and I have 3 children, Cody, Cheyenne, and Dillon. All were educated here in La Palma schools. Supporting the youth of La Palma has been volunteer role for over 25 years. I have held leadership roles during 16 years of being involved in the Parent Teacher Student Organization and Parent Teacher Association. I served as a Board Member for 8 years on the John F. Kennedy Scholarship Foundation.

I've also been committed to serving our city. My dedication to public service includes 6 years on the La Palma Pageant Committee and presently a Community Activities & Beautification Committee Member for 4 years. I've supported community traditions such as the La Palma Parade, The Festival of Nations, Concert's in the Park and many others. These experiences have strengthened my commitment to want to give back and help future generations thrive.

On City Council I would strive to maintain infrastructure, safeguard our city's fiscal health assuring our taxpayers money is spent wisely and fight to keep our city and schools safe! As a longtime resident, parent, volunteer and community advocate, I'd be honored to continue serving the residents of La Palma as a La Palma City Council Member.
