La Palma has been a part of me for my entire life, and I humbly ask for your support as I strive to give back to the community that has given me so much opportunity. From attending Luther Elementary, Walker Jr. High, and Kennedy to now supporting my community by volunteering and wanting to do more, I love this city and call it home.

La Palma is a beautifully diverse city filled with culture, strong family values, and a sense of pride that can only be found in such a quaint city.

As your next City Council Member, I commit to each and every one of you that I will strive to sustain your quality of life, support our local small businesses, ensure our community remains one of the safest communities in America, and keep our city government efficient and transparent!

I respectfully ask for your vote.
