SAGA CONROY **AGE: 47**

Community Outreach Director

I love Mission Viejo. I lived under oppressive communist rule during my childhood and immigrated to the United States to pursue freedom. I earned my citizenship and settled in this beautiful city with my husband and our two children. I am committed to giving back to the community that made my American Dream possible.

I currently serve on the Mission Viejo Community Services Commission and work as Community Outreach Director for Orange County Supervisor Don Wagner. As a commissioner, I foster events that contribute to our local economy and oversee the upkeep of our parks and facilities. In my role with the county, I have gained years of firsthand experience in municipal budgeting and local government operations. I have a proven record of solving problems and working collaboratively to deliver results.

As your Councilmember, I will:

Keep Mission Viejo safe by fully funding our law enforcement and firefighters.
Maintain fiscal responsibility through prudent budgeting, without raising taxes.
Protect open spaces and maintain our parks and trails for all residents to enjoy.

I am honored to have the endorsements of Supervisor Don Wagner, outgoing Mission Viejo Mayor Pro Tem Brian Goodell, former Mayor Trish Kelley, and Orange County Board of Education Trustee Lisa Sparks, Ph.D. To preserve our quality of life and safeguard our future, I humbly ask for your vote.
