CYNTHIA VASQUEZ **AGE: 48**
Mission Viejo City Council Member

As long-time residents, my family and I are proud to call Mission Viejo home. I'm honored to serve on the City Council and seek re-election.

Throughout my term, I've used my business and MBA background to put residents first by protecting taxpayer dollars, improving transparency, and making thoughtful decisions.

I put our community first by:

- Supporting improvements to Sierra Recreation Center and Napoli Park
- Working to keep taxpayer dollars from subsidizing private organizations
- Advocating for thorough research before approving multimillion-dollar projects
- Sponsoring a much-needed refuge lane at Marguerite/Sierra
- Expanding community events without taxpayer dollars
- Providing residents with better access to information about City decisions
- Encouraging safety and traffic improvements from Oso to Avery Parkways

When re-elected, I'll continue to:

- Require thorough review before major projects move forward
- Protect tax dollars through diligent oversight, ensuring wise spending
- Keep Oso Creek Golf Course self-sustaining
- Support seniors, working families and individuals, local businesses, and public safety
- Advocate for our City Library

Mission Viejo deserves transparent, accountable leadership focused on residents. I will continue working to keep Mission Viejo safe, financially responsible, and thriving. Let's move forward together. Re-Elect Cynthia Vasquez to District 3!
