

DAN SLATER

Orange Mayor/Businessman

I grew up in Orange, graduating from OLu. I proudly own both my home and small business here.

When you first elected me Mayor in 2022, I pledged to protect Orange taxpayers and bring common sense to city hall. Since then, I've poured my heart and soul into this responsibility:

Orange is cleaner

Crime down 28%

Homelessness decreased

Illegal street vendors eliminated

Graffiti reduced

Traffic flow improved

Tackling the proliferation of massage parlors and smoke shops

Addressing poorly maintained vacant properties

45 acres adjoining our "Central Park" (Santiago Creek) dedicated as permanent open space, with more on the way

Attracting new businesses, bringing much needed sales tax revenue, helping to return Orange to financial stability

We've done this even though our City budget has been reduced \$37.5 million, and we've cut our workforce 10%.

My leadership has earned bipartisan support from our Orange City Firefighters, Congressmember Young Kim, Assemblymember Avelino Valencia, most of our City Council, and countless community leaders.

I will honor existing term limits: this will be the last time I seek any elected position in Orange.

Let's continue putting Orange back on a solid foundation. I respectfully request your vote for one last two-year term as Mayor.
