

BRANDY ROMERO

Business Owner

My life is rooted in Orange. My husband and I are raising our children here. I own a small business in Old Towne Orange. I know what families and local businesses are up against, I live it every day.

As Chair of the City of Orange Park Planning and Community Events Commission, and a graduate of Leadership Orange and Citizens Police Academy, I've seen what City Hall does well and where residents deserve better. When Treats in the Streets needed help, I went to work, helping raise over \$40,000 to save it and \$10,000 for the Orange City Firefighters Foundation. I've received the Woman of Impact and Woman of the Year awards for my commitment and service in our community.

As your City Councilmember, I'll:

Keep Orange safe by supporting our police, firefighters, and emergency responders.

Bring fiscal responsibility back to City Hall by protecting essential services while addressing Orange's budget challenges.

Protect Old Towne Orange's historic character and help small businesses thrive.

Put Orange residents first by increasing transparency, accountability and responsiveness in city government.

I'm honored to be endorsed by the Orange City Firefighters Association, Mayor Dan Slater, and Councilwoman Arianna Barrios.

There's no place like Orange: I will fight to preserve our quality of life. I respectfully ask for your vote.
