

ERNIE GLASGOW

Contractor/Businessman

My name is Ernie Glasgow, and I am running for Orange City Council, District 1. I have proudly called Orange home for nearly 58 years. My wife and I, who have been married for 42 years, are both graduates of Orange High School. Over the decades, I have watched our city grow and change, and I believe those changes have made Orange a better place to live. My commitment to our community is reflected in my years of public service. I served on the OUSD Facilities Advisory Committee (2003-2004), the YMCA Board (2004-2010), the City Traffic Committee (2012-2015), and the Planning Commission (2015-2023). I also serve as a board member of the Union Roofers Contractor Association and as Co-Chairman of the Union Roofers Trust. My goal is to preserve the small-town character that makes Orange unique while responsibly planning for growth. Old Towne is the heart of our community, but our surrounding neighborhoods deserve the same care and protection. We must also protect our neighborhoods from corporations and LLCs purchasing single-family homes and converting them into high-density housing compounds. With my experience, dedication, and proven record of service, I respectfully ask for your vote.
