

BRENDON MOELLER

Small Businessman

I'm a third-generation resident of Orange. I was a Captain in the United States Army, serving our country on three combat deployments in the Middle East and East Africa. I graduated from Orange Unified School District schools, the United States Military Academy at West Point, and the University of Southern California.

Today, I continue my service here in my hometown of Orange as Chair of the Santiago Creek Commission and a Member of the Orange County Transportation Authority Citizens Advisory Committee.

If you elect me to represent our community on the Orange City Council, I will:

- Strengthen funding for Orange firefighters and police
- Grow Orange's economy by attracting new businesses and retaining existing businesses
- Ensuring complete accountability with our taxpayer dollars
- Improve efficiency and reduce waste
- Protect the character of our neighborhoods and Orange's quality of life
- Preserve our open space and local waterways

I'm not a politician. Orange and the Army gave me my values and work ethic, which I'll bring to the City Council.

I have earned the endorsements of our City of Orange leaders for City Council:

- Orange City Firefighters
- Mayor Dan Slater
- Former Mayor Carolyn Cavecche
- Our retiring District 6 Councilmember John Gyllenhammer
- Majority of the Orange City Council

I would be honored to have your vote. moellerfororange.com
