CHAD WANKE
Mayor/Businessman

As the Placentia Mayor, I am proud to have lived in Placentia for over 31 years. My wife Leonie and I could not have chosen a better city to be raising our four children in.

As a three-time Mayor and current 4th District Councilmember, I have worked successfully to bring dramatic improvements to Placentia and the 4th District including:

A balanced 2026 budget based on my proposed amendments
Repaving miles of arterial roads and neighborhoods who hadn't had repairs for decades
Added 10 new police officers
A new playground and amenities at Parque De Arroyo Verde
A new bridge on Golden Avenue

The recent improvements have helped set Placentia on the right track, but there is still more to be done. If you re-elect me as your City Councilmember, my focus will be to:

Ensure that the people of Placentia are the focus of the city government
Keep us safe by continuing to support our Police and Firefighters
Continue rebuilding our roads and infrastructure
Fight for continued balanced budgets that benefit Placentia residents, not the bureaucracy

Please join my supporters and vote to re-elect Chad Wanke for Placentia City Council 4th District. Call me anytime at 714-606-1973.
