

STEVE KNOBLOCK

Mayor Pro Tem

Please consider voting for Steve Knoblock for San Clemente City Council, District 2.

My commitment has always been to protect San Clemente's exceptional quality of life while ensuring our police officers and firefighters have the resources they need to keep our community safe.

I helped secure 250,000 cubic yards of sand at the Pier and another 40,000 cubic yards at North Beach to protect and restore our beaches.

To reduce wildfire risk, I championed a pilot program using goats instead of toxic herbicides or expensive mechanical equipment to clear fire-fuel vegetation in our open-space canyons. The program's success has led to its expansion into HOA canyons and other City properties.

When Chilean burglary crews targeted our neighborhoods and illegal panga boats used our beaches for criminal activity, I worked with U.S. Customs and Border Protection to help bring ocean-facing cameras to City property in support of law enforcement.

I also support creating a small dog-friendly beach south of T Street, giving San Clemente's thousands of dog owners a place to enjoy the coast with their pets.

I would be honored to earn your vote.
