ISURI S. RAMOS
Nonprofit Executive Director

I'm the daughter of Mexican immigrants who laid their roots on Minnie Street. Growing up, my family lost our housing and we relied on public transportation. The library was my second home, and the boxing club at the Jerome Center taught me discipline. I served as a Youth Commissioner and graduated from Santa Ana High School and UC San Diego.

After college, I organized with Lacy Neighborhood residents. Together, we won 100% affordable housing at Legacy Square, pushed the city to build Mariposa Park as the community envisioned, and fought for Santa Ana's rent control ordinance, capping rent at 3%. As a Planning Commissioner, I've championed development projects that provide good jobs and prioritize affordable housing; and I led the effort to keep illegal smoke shops out of our neighborhoods.

I'm running to continue fighting for Santa Ana residents. When elected, my priorities will be to address our housing costs, neighborhood safety, and to protect our immigrant and mixed-status families by ensuring our city is a champion for our constitutional rights, not another obstacle to overcome.

I respectfully ask for your vote.

Endorsements: National Union of Healthcare Workers, Esperanza Tenants Union, Supervisor Vicente Sarmiento, and Councilwoman Jessie Lopez.
