THOMAS M. FRAZIER
Planning Commissioner City of Stanton

Working as your Councilmember is an Honor. Serving as your Stanton Planning Commissioner has helped me understand your needs and how best to represent both Residents and Businesses in District 1.

I will build Affordable Housing, provide Local Jobs, help reduce the Cost of Living, Fight Inflation with "No Taxes."

My priority is Public Safety. Never will we have a Garden Grove "GNK Aerospace Disaster" in Stanton.

Our Firefighters/Paramedics and Police who "Keep Stanton Safe" have my full support. We must "Enforce Our Laws." Stop Prostitution, End Homelessness and Fight Crime.

I will provide essential Public Services, Safe Neighborhoods, and Affordable Housing.

I will proactively "Enforce the Supreme Court ruling ending Homelessness" in Stanton. We must Relocate Transients that Refuse Help from our City.

I will Safeguard "Homeowner's Rights". I support Voters controlling Taxation.

My family Heritage spans over 50 years in Stanton. Listening to residents and businesses will help me make Good Decisions.

I am asking you to "Elect" me as your Councilmember District 1, so Together we can Build Affordable Homes, Create Jobs, Fight Inflation, and Protect Our Community.

Thank You,
Thomas M. Frazier
