LETITIA CLARK
Community College Director

Dear Neighbors,

As your Mayor and City Councilmember from 2016 to 2024, I led Tustin through COVID-19, protected small businesses, supported frontline workers, approved more than 2,100 new homes at Tustin Legacy, and made City Hall more accessible through online meetings and the Engage Tustin app.

Tustin is home. I graduated from Tustin High School, built my career through education, culminating in earning my doctorate, and with my husband we've proudly raised our three children here. Those experiences shape every decision I make and keep me focused on building a Tustin where every family can thrive.

I'm running for Mayor to put that experience to work again with a clear plan for Tustin's future. That means supporting local businesses, investing in parks, roads, housing, public safety, emergency preparedness, and mental health services, while partnering with our schools to expand mentorship and career opportunities for young people. My goal is to make Tustin the best city it can be for today's residents and the next generation, including my own children.

You know my record, my values, and my commitment to this community. I respectfully ask for your vote for Mayor on or before November 3, 2026.
