WILLIAM "BILL" MOORHEAD
Director, Moulton Niguel Water District

Water is life. Water is my life.

My focus:

Infrastructure. Interagency relationships. Reliability. Water quality. Fire protection. Low monthly bills.

My qualifications:

Proven leadership with 50 years' experience—8 years as your MNWD Director. Recognized technical expertise as Principal Water Engineer (City of Anaheim, retired) and Registered Civil Engineer. Advanced training with BA Biology, MS Civil/ Environmental Engineering, highest level in water/wastewater operation certifications.

Deep experience with 50 years' mastering engineering, water quality, public policy. 36 years as an MNWD customer.

Record of accomplishments as your Director:

Safety and reliability through fast-tracked emergency leak response, expanded valve maintenance program, secured fire hydrant upkeep. Fiscal responsibility proven by voting against Director pay increases, declined one for self, approved smart budgets for infrastructure upgrades. Community involvement and innovation by establishing vital fire-protection helipad and next-generation water reuse projects. Advocacy through approved rate structure securing long-term water quality and reliability. Participated in Naturescape Conservation Program at own expense.

My community commitment:

Local leadership with OC Infrastructure Report, past President of OC Water Association, board member Lake Mission Viejo Association. Personal civic support proudly funding Moulton Museum, Niguel Botanical Preserve, OC Coastkeeper's, Mission Viejo HS, Model UN 4-year board member.
