BRIAN PARKER
Appointed Moulton Niguel Water District Director

As your Director on the Moulton Niguel Water District Board, I am committed to:

Safeguarding our vital water resources

Maintaining the lowest rates possible

Ensuring financial accountability

Throughout my service on the Board, I have applied my 30+ years of business experience to champion operational efficiency and fiscal responsibility. A longtime Laguna Niguel resident, I intimately understand the importance of delivering safe, high-quality, and reliable drinking water and wastewater services to our community.

My leadership on the District Board builds on a deep foundation of public service, including my time serving on the 2023-24 Orange County Grand Jury, where I co-authored a landmark report on optimizing South County water and wastewater systems. That critical work laid the groundwork for regional realignments that save taxpayers money and improve local infrastructure stewardship.

I respectfully ask for your vote to continue serving as your Moulton Niguel Water District Director.
