PATRICIA "TRISH" KELLEY
City Councilmember

I've lived in our community since 1977, when my husband, Jack, a United States Marine Corps pilot, was assigned to Marine Corps Air Station El Toro. We raised our three children here and have nine young grandchildren.

As a City Councilmember, I've delivered results:

- Protected water quality by fighting water waste and urban runoff
- 90% of all City irrigation uses recycled water and drip irrigation
- Smart irrigation controllers ensure the City's watering schedule adjusts based on weather conditions, reducing water waste
- Balanced budgets
- Maintained strong reserves, AAA bond ratings
- Reformed pension formulas, reduced unfunded liabilities
- Ended an unfair taxation program

I deeply believe in serving our community, having been the American Cancer Society's Relay for Life Co-Chair, PTA President at 3 schools, a Saddleback College Foundation Governor, and volunteer at Compass Bible Church. I'd like to continue serving our community at the Moulton Niguel Water District.

If you elect me as your Moulton Niguel Water District Director, I'll bring my results-oriented leadership to:

- Protect our water supply
- Maintain low water rates
- Improve efficiency to keep costs down
- Expand our local water storage
- Enhance our critical water infrastructure
- Pay down pension debt to protect retirees, employees, and ratepayers

I will always be accessible to you. Contact me at (949) 899-1886 or trishkelley1@gmail.com.

I would be honored to have your vote. trishkelley.com
