Registrar of Voters

Mailing Address:
P.O. Box 11298
Santa Ana, California 92711

Dear Orange County Voter:

Thank you for being registered to vote so your voice can be heard regarding how your community is governed and by whom.

As your Registrar of Voters, it is my commitment that Orange County elections are fair, accurate, transparent, accessible, secure, and comply with federal and state laws. This Voter Information Guide explains how, when, and where to vote in the November 3, 2026 General Election.

Please take a moment to review how to **"Vote Easy. Vote Secure."** in this election:

- **Mail Ballots:** Pursuant to California law, every registered voter must be mailed an official ballot. We will start delivering ballots to the U.S. Postal Service by Oct. 5.
- **Vote Early by Mail or Drop-Off:** Mark your ballot at home, place it in the return envelope, seal, and sign. Return it using one of three secure methods by the deadline: Put it in an official ballot drop box, mail it (postmarked by Nov. 3), or drop it off at a Vote Center before 8 p.m. on Nov. 3. Learn more at **ocvote.gov/options**.
- **Vote In Person (Oct. 24-Nov. 3):** Visit any full-service Vote Center in the county during the in-person voting period. Select centers open daily beginning Oct. 24. All centers open from Oct. 31 through Nov. 3. Vote early to avoid possible lines on the last day. For locations and hours, visit **ocvote.gov/votecenter**.

We work hard to make voting convenient and safe for all Orange County voters. Did you know you can mark your ballot at home, bring it to any Vote Center, sign in, and scan it? You can also mark a newly printed ballot on site.

At our Vote Centers, we also help voters update their registration and assist voters with disabilities and those whose preferred language is not English to vote independently. Learn more at **ocvote.gov** and in this Voter Information Guide.

If you can't find an answer to a question in this Guide or on our website, please call the Registrar of Voters' Voter Hotline at 714-567-7600 or 1-888-628-6837, or email us at ocvoter@ocvote.gov.

Note: A separate State Voter Information Guide will be mailed to you, which contains information about State Propositions and candidates for State Constitutional offices.

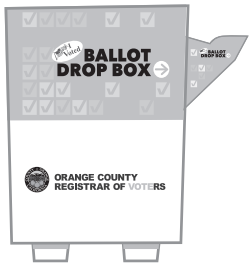

Sincerely,

Bob Page
Registrar of Voters

Vote Easy. Vote Secure.

Election Integrity

Election security is a top priority for the Orange County Registrar of Voters. More than 125 security measures are used for every election, including:

Physical

Numbered security seals cover every opening on each piece of voting system equipment to prevent and detect tampering.

Technical

All voting system equipment is kept entirely offline and is not connected to the internet or any other external network, eliminating remote access risks.

Process

Ballots from at least one percent of randomly selected precincts are hand counted to confirm the accuracy of election results across every contest on the ballot.

Voter List

Voter registrations are updated within five business days whenever OCROV is notified of a change by the voter or an official government source.

Can I vote if I register after the registration deadline?

Yes, Conditional Voter Registration extends the 15-day registration deadline in California to eligible voters, allowing them to register and vote provisionally starting 14 days prior to an election and on Election Day, at the Registrar of Voters' office, located at 1300 S. Grand Ave., Bldg. C, Santa Ana, 92705 or at any Vote Center. For more information, visit **ocvote.gov/cvr**.

If you have a signature on file with the DMV, you can register online, confirm your registration was processed, and vote a regular ballot at a Vote Center. Register online at **ocvote.gov/register**. Confirm you are registered at **ocvote.gov/verify** or call our office at 714-567-7600.

After confirming you are registered, go to a Vote Center to cast a regular ballot.

Voting in the General Election

Section 3

Who is on the ballot for this election?

In the November General Election, all voters receive the same ballot, no matter which political party you are registered with (or if you have no party preference). The address where you are registered to vote determines which contests are on your ballot. There will be Voter-Nominated and Nonpartisan contests on your ballot.

California Top-Two Primary Voter-Nominated Offices	**State, County or Local Offices** Nonpartisan Offices
State Constitutional Offices	Supreme and Appellate Court Justices
U.S. Representative	State Superintendent of Public Instruction
State Senator	County Supervisor
State Assembly Member	Local Offices

Top Two Candidates Open Primary Act

Many contests on the June 2, 2026 Statewide Direct Primary Election ballot were governed by the Top Two Candidates Open Primary Act. This act requires that all candidates for a voter-nominated office be listed on the same ballot. Previously known as partisan offices, voter-nominated offices are state legislative offices, U.S. congressional and senate offices, and state constitutional offices.

This meant for the June 2, 2026 Statewide Direct Primary Election, a voter could vote for any candidate in a voter-nominated contest, regardless of what party preference was indicated on his/her voter registration form. Only the two candidates receiving the most votes – regardless of party preference – moved on to the General Election regardless of vote totals. If a candidate received a majority of the vote (50 percent + 1) in the Primary Election, a General Election still must be held. Even if there were only two candidates in the open primary, a General Election is still required.

A write-in candidate can only move on to the General Election if the candidate is one of the top two vote-getters in the Primary Election. **The voter may not write in a name for a voter-nominated contest in the General Election.** Additionally, there is no independent nomination process for a General Election.

Why do we have a "Top-Two Primary"?

Proposition 14, passed by California voters on June 8, 2010, created the Top Two Candidates Open Primary Act. This act requires that the two candidates receiving the greatest number of votes in the Primary Election will appear on the General Election ballot regardless of party preference.

BRIAN BURLEY **REPUBLICAN**
Trustee, Huntington Beach City School District

The California Republican Party, California Republican Assembly, California Congress of Republicans and Reform California have all endorsed my candidacy.

I am a lifelong Republican and local elected Trustee in Huntington Beach. I have a proven conservative record as I have consistently stood for common sense and fought for my constituents.

The 42nd District was drastically gerrymandered due to Prop 50. I entered this race because we needed a responsible elected official to represent the conservative cause for Congress in this new district.

During a time when many school districts are cutting costs and contemplating layoffs to balance budgets, Huntington Beach City School District has set a new standard for excellence. We have balanced budgets, built reserves, safeguarded your tax dollars and kept our schools safe.

Californians are currently confronting the reality of absurdly high taxes, increased crime and an affordability crisis resulting in rising poverty and high inflation.

Tax relief for businesses and families is a top priority. I will advocate for tax credits to help first-time homeowners. I have protected our children from extreme political agendas and I will take that same no-nonsense approach to Congress in the fight against socialism.

Experience matters - My background is in information technology as I administer Learning Management Systems at the University of Southern California. I also hold multiple degrees from USC including a Master's in Public Policy.

I respectfully ask for your vote in this upcoming election.

ROBERT GARCIA **DEMOCRATIC**
United States Congressman

From Long Beach to Orange County, everyone in our community wants the same things: A safe community. A better future for our kids. Leaders who focus on helping working families.

During my two terms in Congress, I have kept these principles at the center of every vote I have taken and every bill I have introduced.

My priorities include:

Creating good paying jobs and lowering costs
Keeping our communities safe
Improving public education
Protecting the environment and our coast
Affordable housing & health care
Fighting government corruption

My record of results:

Working with local governments, I have helped secure over $500 million in federal grants for programs and projects including infrastructure improvements, environmental initiatives, community health care programs, and public safety support.

I have assisted more than 20,000 local residents who needed help with federal agencies including Passport Services, Veterans Affairs, Social Security, Immigration support and the IRS.

As the new lead Democrat on the House Oversight and Government Reform Committee, I help lead investigations into government corruption, including the release of the Epstein Files. We are also focused on modernizing government services so the Federal Government can serve our community better and more efficiently.

My endorsements include California's firefighters, teachers, health care workers and over 100 members of Congress and local officials.

I would be honored to receive your vote. Thank you.

CHRIS KLUWE **DEMOCRATIC**
Businessman/Coach/Father **AGE: 44**

Are you fed up with politicians unwilling to fight for you? I am.

I've had enough of politicians who put extreme ideology or corporate special interests ahead of people. I've had enough of Sacramento gridlock preventing us from addressing the cost of living and the solutions California needs. And I've had enough of corruption in government, especially when our tax money is used to enrich political donors.

We need leaders willing to stand up for people, even when it costs them personally. I've done that my entire life. In the NFL, I spoke out for marriage equality when it wasn't popular, and it cost me my career. I fought book bans in Huntington Beach's libraries, faced personal attacks, and we won. I'd do it again in a heartbeat because standing up for what's right matters.

I'm not a politician. Raised in Seal Beach in a middle-class family, I attended public schools and earned an athletic scholarship to UCLA. Now, as a small businessman and youth coach raising two kids in Huntington Beach with my wife, I'm concerned the American dream is out of reach for too many working families in California.

In the Assembly, I'll be independent and focused on lowering costs, ensuring education is fully funded so every child can succeed, making healthcare affordable, protecting our freedoms, tackling homelessness, and stopping politicians from profiting from their positions.

I'm proudly backed by nurses, teachers, and blue-collar workers.

I'll fight for you. I'd be honored to earn your vote.

GRACEY VAN DER MARK **REPUBLICAN**
Councilwoman/Business Owner **AGE: 52**

My life story is proof that the American Dream still exists. I grew up in rough neighborhoods, experienced homelessness and have been a survivor of domestic violence. I overcame those challenges to become a small-business owner, City Councilmember, and the first Latina Mayor.

I delivered results. My city is one of the few in Orange County where homelessness has declined in recent years, our streets are safer, and our city is consistently recognized as one of California's best-run communities.

Families are being torn apart and fleeing California because life has become unaffordable. I've raised my children locally and sent them to public schools and that's when I realized we need to hold politicians accountable to do better.

For too long, Sacramento has been dominated by one-party rule and the political class like Gavin Newsom, who put ideology over the people they represent. California needs reform. I will work every day to deliver common-sense solutions. That is why I'm proudly endorsed by Reform California.

I'm endorsed by the Howard Jarvis Taxpayers Association PAC because I will fight to eliminate the fraud, waste, and abuse of your tax dollars while working to lower the cost of living on hardworking families.

Keeping our communities safe is my top priority. That's why I'm endorsed by Orange County Sheriff Don Barnes, the Association of Orange County Deputy Sheriffs, and the Huntington Beach Police Officers' Association.

I am a business owner, wife, and mother. It would be an honor to earn your vote. Learn more at www.GraceyForAssembly.com

As an educator for 31 years and current President of the Fountain Valley School Board, I work to serve students and families. Utilizing my area of expertise, I have helped to build solid, thriving school communities.

During my four years as a Governing Board Member, I have placed a major emphasis on:

Safe schools and healthy, happy kids - installed perimeter fencing to further enhance our school safety

High academic standards propelling our students to rank first in reading, math, and science in Orange County

Expanding STEM, the arts, and music opportunities for students

Fiscal responsibility, ensuring yearly that FVSD has a positive financial certification with stable and sustainable budgets

I continue to serve our community on the Board of Directors for Fountain Valley Schools Foundation, Orange County Sheriff's Advisory Council, Junior Achievement Orange County, and Coastline College Foundation.

My wife and I have raised five children in Fountain Valley and have been foster parents for 11 children. We work together, as a family, to help our city and our schools be a great place for everyone.

I look forward to your vote.

3291

RICK NICHOLS **AGE: 42**
School Principal/Parent

I am grateful to call Fountain Valley home and am committed to ensuring our schools remain among the very best for every child.

For 23 years, I have dedicated my career to public education. I began as a classified instructional aide later serving as a special education teacher, athletic coach, assistant principal, and, currently, a middle school principal. These experiences have given me a deep understanding of what students, teachers, and families need to succeed. My passion for quality education is why I want to serve.

Our three children attend Fountain Valley schools because my wife and I believe in the strength of this community and the top-notch quality of its schools. I am an active PTA member, Assistant Scoutmaster, coach of youth sport teams, and a strong advocate for family partnerships in students' education.

As your Trustee, I will prioritize:

Student and campus safety

Maintaining high academic standards for all students

Attracting and retaining highly qualified teachers and staff

Ensuring fiscal responsibility

Promoting local control of education

Vote for me, and together we can preserve what makes Fountain Valley schools exceptional, while supporting the dedicated educators who serve our children and ensuring every student is prepared for a successful future.

CARL BLANKENHORN
Math Teacher/Parent

As a former Fountain Valley School District student, proud parent of two former FVSD students, and recently retired high school math teacher, I bring a unique perspective to our schools—as a student, a parent, and an educator who understands what students need to succeed in high school and beyond.

I have long admired FVSD's caring teachers, engaged families, strong neighborhood schools, and tradition of helping students grow academically, socially, and personally. I am running because I want to contribute to that success and help ensure FVSD continues to thrive for every student.

With 30 years of classroom experience and a Master's Degree in Mathematics, I have dedicated my career to improving student outcomes and supporting great teaching. As your trustee, I will prioritize student safety, mental wellbeing, strong academics, appropriate class sizes, more school counselors, and meaningful professional development for teachers.

I will listen to parents, value community and professional input, and work to build consensus around a strong 21st-century education for every child. I will also champion transparency, fiscal responsibility, and careful oversight of taxpayer dollars.

I respectfully ask for your vote.

AMORY HANSON **AGE: 29**
Historic Resources Boardman

I have been honored to have a front row seat to municipal politics in Huntington Beach for 12 years. I truly believe that I can bring a unique historic perspective. When elected, I will work to create a Huntington Beach performing arts center, to provide a space for Huntington Beach's many performing arts societies. I will work to create a Huntington Beach historical museum to highlight the great history of Huntington Beach. I will ask for a study session to review and revise Huntington Beach's park naming ordinance to allow more individuals to be honored at Huntington Beach's many parks. I will allow the full 3 minutes at city council meetings when I am Mayor and work to codify this as an ordinance. Most importantly, I will continue to support our environment and the fight against high density development. I encourage a vote for Mr. Amory Hanson, a historic choice, for Huntington Beach City Council. to learn more go to amoryhanson2026.blogspot.com

TARYN TADDEO PALUMBO **AGE: 41**
Executive Director

I believe the future of Huntington Beach matters now more than ever.

Raised in this community, I'm a parent, attorney, and commonsense problem solver. As the Executive Director of a nonprofit organization, I have spent my career bringing people together to get things done, helping connect people and businesses to secure the funding they need in order to improve lives and make a difference for families across Orange County.

I know I'm not alone in saying enough is enough. As your City Councilmember, I will work tirelessly to focus on the everyday issues that matter most:

Protect our libraries and public spaces,
Invest in infrastructure upgrades and street repairs,
End the waste of taxpayer dollars in endless lawsuits,
Restore Huntington Beach's reputation.

I believe our future is worth fighting for, and I want my children to experience the same pride in our city that I did growing up. I would be honored to earn your vote to bring the change we need in Huntington Beach.

ROSALIND "ROZ" PRICE **AGE: 48**
Operations Manager

Huntington Beach has been my home for over 40 years. I am honored to serve as a City of Huntington Beach Community & Library Services Commissioner, working to enhance the quality of life for our residents while preserving the character that makes our city special.

For more than 25 years, I have led organizations through executive-level operations, budgeting, project management, and strategic planning. My unique combination of executive-level leadership, official City service as a Community & Library Services Commissioner, and decades of hands-on volunteer work throughout Huntington Beach has prepared me to lead with experience, integrity, and accountability. I have proudly served local families, veterans, active-duty military, seniors, youth, churches, and nonprofit organizations because I believe strong communities are built through acts of service.

I am running for City Council to protect public safety, support local businesses, maintain our beaches, parks, libraries, and neighborhoods, and ensure taxpayer dollars are managed responsibly. I believe in transparent government, fiscal responsibility, and listening to residents before making important decisions.

My commitment is simple: to listen, lead with integrity, and work every day to strengthen Huntington Beach for today's families and future generations. It would be my honor to serve as your City Council Member.

5092

BEN DAVIS **AGE: 53**
Civil Rights Attorney

I've spent my life showing up for people. First, I helped manufacture medicines, including a groundbreaking cancer vaccine. I later earned my JD/MBA, and I've spent the past several years fighting for civil rights and housing — work that gave me practical experience with systems needed in our local government.

When I'm on City Council, I will manage public funds responsibly, invest in the infrastructure and core services our community relies on, and represent all of our residents. I'll bring a practical, community-first approach to housing that actually works for the people who live here. I'm committed to careful, transparent budgeting and to being a steady voice for safety and good governance — because this city's name should shine the way we all know is possible.

Since moving to Huntington Beach with my wife, Jill, nearly 20 years ago, I have come to regard this city's future as inseparable from my own. I've spent 30 years working on difficult problems because they needed doing. I'm ready to do the same here and make real change for Huntington Beach. I humbly ask for your vote for City Council by November 3rd.

5092

ERIN SPIVEY **AGE: 45**
Retired Librarian

Born and raised in Huntington Beach, I attended local schools and played local sports. In high school, I volunteered at Oak View Library and my first job was at the Central Library coffee cart. I love this city so much that I'm raising my family here. Today, my kids enjoy the same beaches and play sports on the same fields.

I spent 15 years of public service in schools and libraries. I worked on government budgets, oversaw dozens of employees, worked with contractors and volunteers. I built programs from the ground up that engaged thousands of residents and still exist today.

Now I want to get Huntington Beach back to being Surf City. In a time of growing deficits, cuts to public safety, and losing lawsuits, I will instead focus on local improvements, bringing new and old businesses back to Huntington Beach, and bettering our local government. I will repair our tattered reputation and invite the community to come back together.

It's time for change. It's time to get our amazing City back on track. It's time to rebuild the community I grew up with: a small town in a big city.

I humbly ask for your vote.

BRIAN BURLEY
Trustee, Huntington Beach City School District

We need leaders who will fight for Huntington Beach values. That's why I'm running for Huntington Beach City Council.

I am concerned with how our city relies on valuable reserve funds to cover budget deficits.

As your Huntington Beach Trustee, I have a proven conservative record of balancing budgets, building reserves and protecting your tax dollars. I will bring that fiscal experience to City Hall to get our city's finances in order before it's too late.

I am committed to preserving the values that make our community one of the best places to live, work and raise a family. Serving as your Huntington Beach Trustee, I've worked to strengthen school safety because protecting our children is one of government's most important responsibilities. I'll bring that same commitment to supporting law enforcement and first responders to maintain Huntington Beach's public safety.

I'll fight to preserve Huntington Beach's family-first values and keep local government focused on the needs of Huntington Beach residents.

I don't just promise to fight for Huntington Beach. I have already proven it as your Huntington Beach Trustee and I am just getting started.

Vote Brian Burley for Huntington Beach City Council.

PAT BURNS
Retired Policeman/Councilmember

As a 33 year resident of Huntington Beach, I believe the City Council should serve the residents and businesses with integrity, transparency and fiscal responsibility to improve the quality of life. Community service always comes first and never self-service. Supported by residents, business owners, public safety officers, I am committed to serving.

I am currently on the Huntington Beach City Council and was the previous mayor. I am a retired Long Beach Police Lieutenant where I served for 30 years. I worked Patrol, flew the helicopter, was an academy instructor, an undercover Narcotics Investigator, Sergeant and Lieutenant. During my career I volunteered as coach and referee for AYSO Soccer, St. Bonaventure School Board and Finance Committee. I also served the City of Huntington Beach on the Citizen Participation Advisory Board and Community and Library Service Commission. I currently serve on the Long Beach City Employees Federal Credit Union Board of Directors.

I would like to stay another 4 years on the City Council and serve the citizens and businesses of Huntington Beach focused on Public Safety, fiscal responsibility, local control and to preserve our beach community and quality of life.

This is our community and my home.

I love this city and care for its future.

ANDREW GRUEL **AGE: 46**
Huntington Beach City Councilmember

Appointed City Councilmember

Serving on the Huntington Beach City Council has been the honor of my life.

My wife and I are raising our four children here while owning and operating a local restaurant. Before public service, I built businesses, created jobs, balanced budgets, and learned that every dollar matters. That's the perspective I bring to City Hall.

Since joining the City Council, I've fought to protect taxpayers, support our police and first responders, defend local control, preserve our beaches, parks, and neighborhoods, and keep Huntington Beach safe, financially responsible, and accountable to the people who live here. I am honored to have earned the endorsement of the Huntington Beach Police Officers' Association for my commitment to public safety.

I believe government should live within its means, be transparent with every tax dollar, and focus on delivering the essential services residents deserve while protecting the character of our community.

I will continue to lead with integrity, common sense, and an unwavering commitment to putting Huntington Beach first.

I respectfully ask for your vote to continue serving our community.

5092

CASEY MCKEON **AGE: 47**
Mayor of Huntington Beach/Businessowner

As a 3rd generation Huntington Beach resident, small business owner and current Mayor of Huntington Beach, I passionately love this City. I am extremely proud that we fulfilled our campaign promises when I was elected in 2022.

We continue to fight for local control against unjust and unfair High Density housing mandates to protect Huntington Beach from predatory developers to ensure our City remains a suburban beach community that protects our open spaces.

During the last four years, we have achieved the greatest homeless reduction numbers in our City's history! We were the number one city in Orange County this year for homelessness reduction, and I will continue to prioritize tackling this challenging issue.

During the last four years, Crime is down 27% across all categories. I am supported by Police and Fire and will ensure Public Safety is a priority in Huntington Beach.

Our Streamline Program cut the red tape at City hall and increased permits issued by over 23% in the first year. Huntington Beach won first place this year out of fourteen other government agencies for our Streamline program.

I respectfully request your vote for re-election to Huntington Beach City Council to secure our future.

BRIAN THIENES
Small Business Owner

Huntington Beach has been my home for 38 years. My family and I built our lives here while I spent 40 years building a successful civil engineering and land surveying company, managing complex infrastructure projects across Southern California, meeting payrolls, and delivering on time and on budget. That real-world experience is exactly what I'll bring to City Hall.

State policies threaten Huntington Beach's community character by forcing high-density development into our neighborhoods. When a massive six-story project threatened our community, I organized my neighbors and forced the developer to shrink it. Today I serve on the Huntington Beach Planning Commission, standing up for our neighborhoods. On the City Council, I'll keep fighting overdevelopment and Sacramento overreach, because decisions about Huntington Beach should be made here, by the people who live here.

I'll oppose new taxes, balance the budget, fully fund our police and fire, support real solutions to homelessness, and partner with our local schools.

I'm not a career politician. I'm a small business owner, husband, father, and your neighbor who will fight against new taxes, support safe neighborhoods, oppose overdevelopment, and ensure local decisions are made locally.

I would be honored to earn your vote for Huntington Beach City Council.

MIKE VIGLIOTTA
Huntington Beach City Attorney

As your City Attorney, I am dedicated to preserving the quality of life that makes Huntington Beach such a special community.

Professional Experience: 26 years of City Attorney practice with 18 years in the Huntington Beach City Attorney's Office. In February 2025, City Council unanimously appointed me to serve as Huntington Beach's new City Attorney.

Public Safety: My top priority is keeping Huntington Beach safe. I work closely with our Police Department to support the highest level of public safety. We prosecute quality of life crimes, such as illegal camping which jeopardize the peace and security of our neighborhoods. Endorsed by the Huntington Beach Police Officers Association.

Financial: I'm dedicated to saving taxpayer dollars by avoiding litigation and advising the Mayor and City Council to prevent unnecessary spending and ensure that our city tax dollars are used for community services like fire, police, parks and beaches.

Finally, I vigorously defend the City's local control over issues such as elections and housing development, which impact the character of Huntington Beach.

On a personal note, I'm an avid surfer and Huntington Beach resident since 1998 and am dedicated to our City.

I would be honored to earn your vote and continue serving the people of our community.
