

**ANDREA MCELROY**  
Businesswoman/Parent

**AGE: 55**

Our families expect safety, transparency, and a strong educational foundation at our community schools. I am running to be the next Trustee from Area 5 to provide leadership to achieve these goals and make sure that every student and every parent has the opportunity to succeed.

Newport Beach has invested in the safety of our city, which I have supported. It is my honor to have the endorsement of Mayor Joe Stapleton and Mayor Pro Tem Lauren Kleiman. I am also proud to be endorsed by the most recent Trustee for this seat, Hon. Michelle Barto. Together we will do more.

Our schools also need to focus on fundamentals over Sacramento's culture wars. We must limit the indoctrinating efforts of programs like ethnic studies curriculum.

Ultimately, this election is about all of us wanting what is best for our children. If you agree, I would appreciate your support.
