

RICHARD ZIMMER

Deputy District Attorney, County of Orange

I am proud to be endorsed by leadership across Orange County including Sheriff Don Barnes, District Attorney Todd Spitzer, police, prosecutors, victims' rights advocates, elected officials, dozens of judges, police associations, and the Association of Orange County Deputy Sheriffs representing thousands of peace officers.

For 17-years I have dedicated my career to protecting the people of Orange County. I have prosecuted the most serious crimes including child molestation, rape, armed robbery, gang crimes, and attempted murder, while ensuring our justice system supported and protected crime survivors.

As a supervising Deputy District Attorney, I understand the impacts that violent crime, substance abuse, and mental illness have on individuals, their families, and our community. I am a married father of two children and understand the importance of safeguarding our neighborhoods.

With my extensive frontline legal experience, I am prepared to serve as Superior Court Judge from day one. I will follow the law and make sure that criminals are justly punished while treating everyone with dignity, understanding, and respect.

I ask that you join Orange County police, prosecutors, victims' rights advocates, and judges in supporting my election for Superior Court Judge.

I respectfully ask for your vote.

Knowledgeable. Honorable. Experienced.
