

## **FRANCES MARQUEZ**

Cypress City Councilmember

I am Frances Marquez, and I am asking for your vote for Orange County Supervisor.

Our County Government has been plagued with corruption and self-dealing for far too long. It's time for change and to restore the focus to serving our taxpayers.

As a Cypress City Councilwoman, I called for accountability and demanded transparency before voting on any spending or contracts.

As a college professor and a policy director, I have helped create more opportunities for students, working families, small businesses, veterans, and seniors.

Orange County gave my family and me a strong foundation for a successful life. My father was a Korean War veteran and my mother worked as the bookkeeper at our family's farm. Their hard work allowed them to become homeowners. Cypress public schools prepared me to earn a Bachelor of Arts in History from UCLA, a Master's in Public Policy, and a Doctorate in Political Science from Claremont Graduate University.

As your County Supervisor, I will ensure every family has the same opportunity to thrive by:

Rooting out corruption with more transparency and accountability.

Preventing and reducing homelessness by improving access to housing and mental health services.

Protecting reproductive rights and abortion access.

I ask for your vote. Learn more at
