

**ANN CHO**

Senior Deputy District Attorney, County of Orange

As a veteran prosecutor for nearly two decades prosecuting violent criminals, sexual predators, and dangerous fraudsters, I make no apologies for being tough on crime and holding criminals responsible. Yet as a survivor of abuse and former foster child, I understand the judicial system from every angle and will bring that perspective and sensitivity to the bench.

I am honored to be endorsed by over 50 judges, hundreds of police officers across Orange County, prosecutors, victims' rights advocates, bipartisan elected officials, educators, health professionals, business owners, and community leaders who know I will serve with integrity.

The Orange County Gang Investigators Association supports me because I will not tolerate violent crime. As a Superior Court Judge, I will uphold the law, protect the public, deliver equal justice, and treat all in my courtroom with dignity and respect.

As a lifelong Orange County resident, wife, and mother of two daughters, I am committed to public safety and our community. I also understand how homelessness, fentanyl, and mental health challenges affect our families and neighborhoods.

Please join Orange County police, prosecutors, victims' rights advocates, judges, and local leaders in supporting me for Superior Court Judge.

I respectfully ask for your vote.

Knowledge. Experience. Commitment.
