

FRED JUNG

Fullerton Mayor/Businessman

As Mayor of Fullerton, we've hired 66 new police officers and 39 firefighters, dramatically reduced homelessness, and repaired broken roads across town.

North Orange County deserves proven leadership, a record of getting things done, and no excuses to deliver results. That's why I'm running for the Board of Supervisors.

Safe neighborhoods and low taxes should be basic expectations. Letting taxpayers keep their own hard-earned money is the easiest way government can keep cost of living down, and that's why especially in the residential neighborhoods of North Orange County, I will always protect Proposition 13.

But that isn't enough. In big ways and small, Orange County deserves leaders who will find ways to make it more affordable to live here; for everyone from students to seniors. I will work to drive down costs for housing and healthcare, and expand transportation options countywide.

I'm proud to be endorsed by police officers, firefighters, workers, business owners, and taxpayer advocates because they believe we can make Orange County a better place to live for everyone.

I hope to earn your vote.
