

TIM SHAW**AGE: 49**

Orange County Board of Education Trustee

Experience & Leadership.

My name is Tim Shaw and I am running to be your next Orange County Supervisor to improve our quality of life in North Orange County. I have served North OC for decades as the President of the Orange County Board of Education representing this district, as Mayor of La Habra, and as Chairman of the Orange County Transportation Authority (OCTA). My roots in this district run deep — my wife Shannon and I are raising our six sons here, and our family is actively involved in our church, schools, and neighborhoods.

Proven Results.

I deliver practical solutions that improve our everyday life. At OCTA, I reduced congestion with projects like the Lambert Road/57 improvement and widening the 91 freeway, enhancing safety while keeping our communities moving. As a County Board of Education Trustee, I fight for your parental rights, fiscal transparency, and academic excellence. When I was Mayor of La Habra, I balanced our budgets, strengthened public safety, and attracted businesses.

Focusing on the Future.

As your Supervisor, my priorities will be:

Public Safety: Ensuring first responders are fully staffed and funded.

Fiscal Responsibility: Protecting our taxpayer dollars and ensuring transparent budgeting. We must eliminate fraud and abuse at all levels of government.

Homelessness Solutions: Expanding mental-health services, housing options, and accountability.

Local Control: Standing up for our cities, schools, and families — not distant bureaucrats.

As a father of six, I understand the challenges our families are facing. With 20 years of experience as a Political Science professor teaching the next generation about government and civic responsibility, I will bring thoughtful leadership to solve our challenges of affordability, homelessness, housing, and crime. I have the regional experience of delivering results for our community.

I respectfully ask for your vote in June so we can keep District 4 a great place to raise a family.

Tim Shaw: Experience. Leadership. Results for Orange County.
